

Job Posting
Part-Time Speech-Language Pathologist (SLP)
Scottish Rite Childhood Language Center

Position type: Part-Time
Location: 4202 Hermitage Rd. Richmond, VA 23227
Business hours: Monday-Thursday 8:00-6:00

About Us

The Scottish Rite Childhood Language Center is a nonprofit organization dedicated to providing high-quality speech and language services to children with communication disorders. We are committed to serving families with compassion, clinical excellence, and a focus on individualized care.

The Center is growing, and we have a part-time position for a speech-language pathologist (SLP) who shares our mission and brings expertise in autism and augmentative and alternative communication (AAC) to our team.

Position Summary

This part-time position offers the opportunity to work at a mission-driven, family-centered, nonprofit speech-language pathology center. You will provide high-quality, evidence-based evaluation and treatment services for children, and collaborate with caregivers, fellow clinicians, and outside providers. The caseload will include children with autism and those who use AAC.

Key Responsibilities

- *Conduct comprehensive and evidence-based speech and language evaluations
- *Develop and implement individualized, evidence-based treatment plans
- *Assess, implement, and support AAC systems, including high- and low-tech devices
- *Collaborate with families, caregivers, and other providers
- *Provide parent/caregiver education, including training on AAC use
- *Participate in team meetings and professional development opportunities
- *Maintain accurate and timely documentation in compliance with organizational standards

Qualifications

- *Master's degree in Speech-Language Pathology

- *Current state licensure
- *Experience working with children with autism spectrum disorder
- *Strong background in AAC evaluation and implementation
- *Excellent communication, organizational, and interpersonal skills
- *Ability to work both independently and collaboratively

Preferred

- *Minimum 3 years' experience
- *Certificate of Clinical Competence (CCC-SLP)
- *Experience with a variety of AAC platforms
- *Sensory-informed and neurodiversity-affirming therapy approaches
- *Strong interest in evidence-based practice and continual professional learning

What We Offer

- *Competitive salary with guaranteed hours and pay for both direct and indirect time
- *Supportive and collaborative team environment
- *Continuing education and professional development opportunities
- *Opportunity for full-time employment as caseload grows, if desired

How to Apply

Please submit your resume and a brief cover letter outlining your experience with autism and AAC to SRCLC@speech4children.org

Join us in helping children find their voice and reach their full communication potential.
