Mrs. Robin K. Olivier  
The Scottish Rite Childhood Learning Center  
4202 Hermitage Road  
Richmond, VA 23227

Dear Robin:

I am renewing my support to the Scottish Rite Childhood Learning Center. I was introduced to your organization by your former president, Judge James B. Wilkinson. He was enthusiastic for your work, and I discovered it was well founded. There have been functions I attended and listened to children speak in appreciation as they neared the completion of their treatments. It is inspiring to hear and I only wish everyone could witness such testimonials.

The children fortunate enough to receive your care stand a much greater chance to enjoy life's experiences and become productive citizens.

As a majority of your cases receive scholarships, this increases your dependence on fund raising, and I want you to know you can count on my support this year, and also in the future.

Sincerely,

Joseph A. Towler
